Phone Appointments

Phone appointments will be charged at the above rates per the amount of time used for the visit. Returning client phone calls may also be charged a fee and will be based on the duration of the call.

Email

Please feel free to email me with any questions you may have. However, if the nature of the email is of high complexity there will be a small charge.

Cancelled Appointments

There is a 48 hour business day cancellation required for all patients. This recognizes the significant amount of time that is set aside in the doctor's schedule for new patient appointments. New patients will be charged \$100.00 and established patients will be charged the full fee equal to the scheduled time. If you cancel an appointment with a 48 hour business days notice, you will not be charged.

Late and Missed Appointments

If you arrive late for your appointment, we will have whatever time is left in your appointment slot. If you miss your appointment, cancel the day of, or the business day prior to your appointment, you will be charged the full fee equal to the scheduled time.
